

## Medium Term Plan

### Outline of programme of work

#### Household Expenses.

Learners will identify some of expenses that they may encounter in setting up home. Learners will learn about the different types of expenses and types of bills and ways of paying bills. The theme of money saving and understanding 'value' will be explored.

#### Key Objectives

1. Learners to develop independence skills and be able to demonstrate skills in the following areas;
2. Learners will take part in visits, demonstrations and skills assessments.
