

Convention on the Rights of the Child

Article Two

Article 2 tells us that **no one** should face discrimination because of their:

- race
- language
- ethnicity
- colour
- religion
- disability
- sex
- nationality
- status

Article 2 is very important because it tells us that all people should be treated fairly and with equality.

Question - What is discrimination?

Watch the video -

Reflection - How does the video make you feel? Why?

Research - can you find out what these words mean?

- diversity
- inclusion

Activity - Can you make a poster about "Equality"?
